

“We are grateful for this grant that helps the students academically as well as offers them opportunities to become more involved in our school community.”

– Principal, Pomona Middle School

INFORMATION

ADVANCING COMMUNITY HEALTH

Wellcore works with key community stakeholders to secure funding opportunities and oversee grants that improve the quality of health throughout the community. In addition, Wellcore creates and implements customized health curricula for grades K-12 that promote social, emotional, and physical wellbeing through interactive and engaging original lessons, as well as delivers Parent Night workshops on the latest issues facing youth.

COMMUNITY FUNDING EXPERTS

Wellcore has helped our partners secure over \$7 million in grants to improve education and wellness, including grants from:

- NY State Department of Education
- NY State Office of Children & Family Services
- Substance Abuse and Mental Health Services Administration
- Office of National Drug Control and Policy
- American Medical Association
- State Farm
- Aetna

RECENT ACCOMPLISHMENTS

- Bringing over \$ 3.2 million into the East Ramapo Central School District with the Extended Learning Time and Community School Initiative Grants
- Written & awarded 6 Drug Free Communities Grants totaling \$1,791,290
- Recipient of three Drug-Free Communities Grants totaling \$325k
- Secured \$51,000 State Farm Grant for Orangetown Youth Court
